**BD3 THREE**

Compact and powerful:  
the BD3 DEPOSITOR by BAKON

The BD3 is the smallest addition to our range of BD Depositing machines and is a perfect table top size depositing machine for a great variety of products.

Its compact size and ease to use makes the BD3 very suitable for smaller quantities and therefore ideal for small bakeries, caterers, hotels and restaurants.

A smaller machine doesn't mean you have to compromise on features. The BD3 is versatile, powerful, available in three standard models and expandable with many accessories.
